SHUSWAP HOSPITAL FOUNDATION

Special Donors

Askews Foods continue to be very supportive of Shuswap Hospital Foundation projects. In particular they have generously supported the supplies for barbeques at Foundation pledge day events.

The Centennial Wall was created to mark a century of hospital care in the Shuswap, as well as to give an opportunity to donors to have their name inscribed thereon. The Foundation acknowledges the efforts and talents of the following organizations who contributed to its design and erection. **High Impact Signs, Perimeter Design, Champion Engraving.**

Chestors House of Cinnamon in Piccadilly Mall, have been very kind and supportive of the Foundation in providing courtesy catering at events held around the Kiosk during the CT Scan campaign.

EZ-Rock Radio has provided outstanding support to the Foundation in coverage of foundation activity. They have been key to the success of the foundation's pledge days held at the Ross Street Plaza. The station and its staff have been accommodating and helpful at all times.

Friday AM has been most generous in keeping donors to the Shuswap Hospital Foundation informed of the progress being made by the Foundation in meeting the challenges of accumulating funds for the equipment going into the hospital expansion. Their assistance in expressing the thanks of the foundation to its many donors has been remarkable and greatly appreciated.

Lakeshore News have supported the Foundation with complimentary and discounted copy in support of the foundations efforts to reach and thank its many friends and donors. Their assistance and support in recognizing our Champion donors with biweekly inserts has been most appreciated.

The Shuswap Hospital Foundation is very grateful for the support provided by **Lakeside Printing** in the preparation and printing of campaign material over the past many years. Their advice has been very helpful in design and production of material to be circulated to the public. As well of course the major discounts and the direct cash support to campaigns is greatly appreciated.

McDonalds Restaurants have supported the Foundations efforts in many ways. They have generously supplied refreshments for foundation functions as well as directing the proceeds from McHappy Days to equipment purchases for the hospital.

The generosity of donors to the Shuswap Hospital Foundation is expressed through word and art. Images of a salmon run symbolically carrying those donors is a creation made possible by the co-operation of **Warren Welter of Creatability Designs, ADAM Industries, SASS pre-apprentice Body Shop Program, Champion Engraving, and artisans Gerry & Kelly Luchtmeijer.**

Sun Country Cablevision have been very supportive of the Foundations efforts in raising funds for the CT Scanner. They hosted a skate-a-thon at the Sunwave Center as well as sponsoring coin banks, which were used by so many donors to collect coin for the Foundation. The banks continued to be used in subsequent campaigns.

Tim Hortons have sponsored smile Cookie Days in support of the Hospital Foundation which has given their customers an opportunity to support as well. Also they have been generous in providing refreshments for Hospital Foundation events.
