Better Health Matters

Rob Marshall Shuswap Hospital Foundation Board President

Shuswap Hospital Foundation concluded yet another stellar year of achievement due to the unsurpassed generosity of our donors, benefactors and local supporters of our fundraising programs. Not only do we benefit from the numerous volunteers who assist us, we are humbled by the level of financial support we receive from the Shuswap and we offer our sincerest "thank you" to all. The funds expensed this past year was over \$375,000 which enabled us to provide much needed equipment, upgrades and major projects to the Shuswap Lake General Hospital and Community Health Care Services.

We are appreciative of the efforts of those who coordinated, promoted and hosted events such as Art Battle, Run

for Salmon Arm and Radiothon, a total of \$61,000 was raised through their efforts. These events are examples of local support for our foundation and the unique ways this can be achieved!

Our signature event, 3rd Annual Charity Open Golf Tournament was made possible by the generous support of our Title Sponsors: Shuswap Lake Estates and Askew's Foods, as well as many other donors, supporters and volunteers who worked tirelessly to ensure success of the event. This years' tournament netted \$115,000 which will go to help fund the upgrading of X-Ray Room 3 – Trauma Room from analog to digital technology.

The work of the Shuswap Hospital Foundation would not be possible

without our generous donors, great event sponsors, dedicated volunteers and wonderful staff. I would like to acknowledge our Director of Development, Fiona Harris and Administrative Assistant, Diana McFarlane for their day-to-day dedication to The Foundation as key contributors in organizing our volunteers, sponsors, and donors.

Finally, I wish to thank our hard working Board members who volunteer their time to provide guidance and direction for the Foundation and for their support of the Foundation and myself. Our sincerest "Thank You" and "Farewell" to our two retiring board members Rick Hirtle and Jackie Morrison. We are grateful for your dedicated service to the Shuswap Hospital Foundation.

SLGH Administrator Peter DuToit

Shuswap Hospital Foundation has again reached new heights this past year in terms of funds raised and contributions to Healthcare Services in the Shuswap.

Although called a Hospital Foundation, they have embraced the IH Vision by increasing their contributions to Community and Residential services in the wider Shuswap geography knowing that, where possible, we all prefer to stay closer to our homes to receive health services.

Thank you to the residents of the Shuswap for your financial support to the Shuswap

Hospital Foundation. Your generous financial and in-kind contributions are really appreciated and every dollar donated towards Health Services is carefully scrutinized to ensure that the funds are spent wisely. These donated funds contribute significantly to the quality services we are able to provide.

Working alongside the Shuswap Hospital Foundation Board and observing their degree of volunteerism and passion for Health services here in the Shuswap is a privilege that I really appreciate. Fiona and Diana are the only two staff members of the Foundation and exhibit the same passion for supporting health services and their innovative ideas to fundraise really goes above - and beyond - expectations.

Shuswap MLA Greg Kylo

My family is extremely grateful for the professional and compassionate care provided by the staff at Shuswap Lake General Hospital. They make patients their only priority and give our loved ones the excellent care and treatment they need. Their continued success depends on the support the hospital receives from our community and I encourage everyone to consider actively donating or leaving a legacy gift to the Shuswap Hospital Foundation. Those resources will be directly applied towards the purchase of new equipment and improving care options.

Our Support Team

Fiona Harris Director of Development

Fiona Harris, Director of Development, has enjoyed working with the Shuswap Hospital Foundation for the past four years. She has worked with many community groups, the business sector, and donors to continue to strengthen the awareness of the Shuswap Hospital Foundation and its role in raising funds to support better health care in our community.

"It is a privilege for me to work with the Shuswap Hospital Foundation," says Fiona. "The amazing generosity of our caring residents has enabled the support needed to continue bringing excellent health care to the Shuswap."

Diana McFarlane Office Administration

Diana McFarlane grew up in the Shuswap and graduated from Salmon Arm Senior High. She went on to a variety of careers and has a background in office administration and website management. She has run her own virtual assistance business for over 10 years. Diana's skill set is beneficial for maintaining the Foundation's website, newsletter, social media presence as well as the donor database.

Diana says, "It's amazing how generous the community in the Shuswap is. It has been great working with the residents of this area."

www.shuswaphospitalfoundation.org

Donations made easy! Visit our website to make a monthly or single donation online. It only takes a few minutes and a few clicks. Monthly donating is an easy way help out. Choose the day of the month for your first donation and we'll charge you on the same day every month thereafter. Single donations are just as easy and are just as appreciated. Your donation can also be made in memory or honour of a loved one and be directed towards the campaign of your choice. We appreciate your generosity and your donation supports

the purchase of much needed new equipment for the Shuswap Lake General Hospital. Please join us in this effort by contributing today. Big or small, every donation makes a difference! While you're on our website, sign up for our monthly newsletter to stay current with Foundation news. For your comfort and security, the Foundation strictly abides by confidentiality regulations and does not share donor information with any other organization. You may unsubscribe at any time.

Your Donations... Making Life Better

Our generous donors provide the support that helps to bring better health care to our community with the purchase of high-priority equipment

Dr. George Pullin with Robbie Kirichenko, RN, and Tim Work, RN, are very thankful to be able to use the new Hamilton ventilator with patients at Shuswap Lake General Hospital. At a cost of over \$50,000, this purchase was made possible through the support of our generous donors.... Thank you!

...Helping Achieve the Best in Patient Care

“The physicians who practice at Shuswap Lake General Hospital are assisted every day by the hospital foundation...”

“The goal of every physician on staff at Shuswap Lake General Hospital is to optimize the care and outcomes for those we serve. The equipment funded by the donations made to the Shuswap Hospital Foundation aids in this endeavour. Every department has benefitted from the work of the foundation.

“This year, for example, the department of diagnostic imaging will improve flow and see more

patients more efficiently with the digital upgrades the foundation supported. In addition, the procedures have less risk, as they deliver a smaller dose of radiation. An added benefit is less wear and tear on staff as the equipment is easier to use.

“Another huge thank you is for the new ventilator. It is more user-friendly, and is a step up from what was available previously. It allows safer

care for patients who are most vulnerable.

“The medical staff of SLGH thanks the Shuswap Hospital Foundation and those who contribute to it for helping us strive toward excellence in patient care.”

Juliann M. Aitcheson, MD, CCFP, FCFP

Total	\$373,798	

Together... We're Helping to Make

a Difference in the Lives of Others

Our Events

\$25,000 was raised to purchase the Portable Neonatal Cardiac Monitor

Have a Heart Radiothon

Patrick Riley checks in with Marty and family from Nico's Nurseryland at the 2017 Radiothon.

Arthur Hemeyer of Arthur's Gem Set Studio helped to raise funds with the Diamond Dip.

Stan Schmidt, Manager of Save On Foods, donates proceeds from lunch at the Radiothon towards the purchase of the Portable Neonatal Cardiac Monitor.

Our Generous

Art Battle, a fundraiser organized by Kathy and Stu Bradford of the Barley Station Brewpub, raised \$11,000 for the Shuswap Hospital Foundation. These funds supported the purchase of a labour delivery bed for the hospital.

Shuswap Hospital Foundation President Rob Marshall receives a cheque for \$8,820.00, the proceeds of the Smile Cookie Campaign, from Tim Horton's owner Kelly Moores and his store managers, Kathy Edge and Cindy Kiefiuk.

Donors

Our Caring Volunteers

\$115,000 was raised at the 3rd Annual Charity Open Golf Tournament, presented by Shuswap Lake Estates Golf & Country Club, and Askew's Foods...

...A big thank you to our donors, sponsors, supporters, participants, volunteers, and the WestJet raffle.

Happy participants are ready to relax after a day on the course.

Golfers and diners enjoy an evening of fun as the prizes are awarded.

Board director, Maureen McTavish gets lot of help from her crew—Warren Darbyson and Josh Neiuwenhuizen—for the 50/50 draw.

Thank you WestJet!

Board President Rob Marshall and Board Treasurer, Jackie Morrison, present WestJet draw winner Ralph Owens with his 'Gift of Flight' prize. The winning ticket was drawn at the 3rd Annual Charity Open Golf Tournament dinner.

Shuswap Lake Health Care Auxiliary

President 2017-18	Donna Good
Past President	Edie Swanson
1st Vice President	Diane Pyke
2nd Vice President	Chris McKenzie
Treasurer	Glenda Lepine
Foundation Liason	Gloria Lynd

Caring and sharing

The Shuswap Lake Health Care Auxiliary has spent the year of 2017 giving care and comfort to our community in a number of ways. Adding equipment to the Snoezelen Room at Bastion Place was a great place to start—they provided two weighted blankets and sparkling cloud fabric for the equipment that was installed last year. Another need was taken care of when they provided dental equipment to the operating room for Dr. Russell. Funds were donated to the Quilters Guild in order for material to be supplied for the 'Chemo Quilts' to be created. Another funded item was a colour video printer for the operating room at Shuswap Lake General Hospital.

"Footsteps for our Future" walkathon funds were utilized to purchase two bassinets for the maternity area at the hospital.

Members of the Auxiliary enjoyed the presentations made by Gary Holte from Purple Shield on Estate Planning and Corporal Jamie Leverrier on telephone scams.

The Shuswap Lake Health Care Auxiliary fund raisers were very successful this year; these included the garage sale, bake sale, book sale and silent auction; as well as the Fall Phantom/Les Mis sing along concert, Christmas bake sale and Christmas wrap event at Piccadilly Mall in December.

President Rob Marshall is happy to receive a donation from the Shuswap Lake Health Care Auxiliary.

Glenda Lepine, Ferne Parker and Gloria Lynd, members of the Shuswap Lake Health Care Auxiliary were happy to present bassinets that the health care auxiliary had purchased for babies at Shuswap Lake General Hospital.

Caring for Our Community

Dorothy Crandell RN, MA HCIS Manager, Salmon Arm & Revelstoke

The staff at Shuswap Lake General Hospital and Communities Integrated Services for Interior Health support our community by providing health services in many ways that further our commitment to the "home is best" philosophy of care.

Service provided by the home health team includes:

- Nursing care case management
- Occupational and physiotherapy services
- Palliative care
- Home Support Service, which includes personal care delivered in the client home, a community bath program and respite care to decrease care giver strain. Respite care may be

offered through block of home support in the individuals home, by access to community respite beds or through our Adult Day Program or may be offered in combination which is determined by client specific need.

The Community care clinic operates 7 days per week and provides over 4,000 visits annually. Visits include services such as wound care therapy antibiotic administration and catheter maintenance.

The addition of a bladder scanner to our community care clinic through funding from the Shuswap Hospital Foundation will extend the service we are able to offer to our clients and will enhance our ability to extend the level of care we provide in the community.

Wound care is one of the key services within the Community Care Clinic.

We Care for Our Seniors

For those in our community that have entered those 'Golden Years' good health care can become more important and visits to doctors and medical facilities may become more frequent. Our Shuswap area is served with a number of facilities that offer various levels of care depending on needs. Facilities such as Bastion Place which is a 80 bed complex residential care site that is owned

and operated by Interior Health. The health care team at Bastion cares for 67 permanent beds and 13 short stay beds where they provide convalescent, respite and end-of-life care for residents. Also provided are recreational pursuits such as activities, games and outings.

Other similar facilities include Hillside Vil-

lage, Piccadilly Care Centre, Pioneer Lodge and Mount Ida Mews which is currently being expanded.

In addition, Harmony Haven provides an adult day services program which is part of Shuswap Home Health Services. Harmony Haven does much to engage our seniors in active and enjoyable events.

Baking cookies at Bastion Place looks like fun!

Exercise class can be very entertaining

Bowling for a strike at Halloween

Happy Hour can be lots of fun too!

Together We Can Make a Difference...

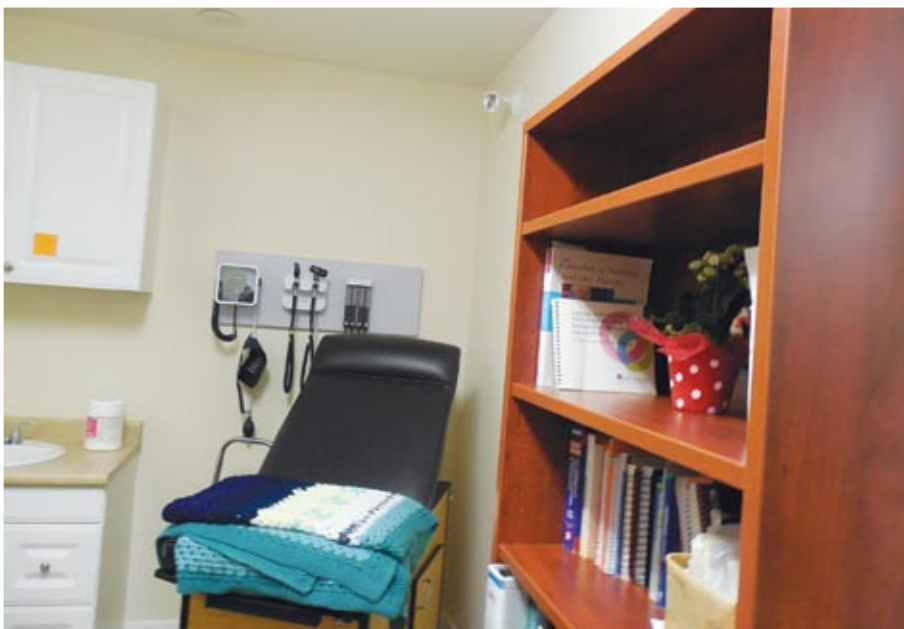

...to Health Care in Our Communities

Sorrento & Area Community Health Centre

The Sorrento & Area Community Health Centre has now been in operation for four years and has become an important part of the fabric of our communities. The Shuswap Hospital Foundation was among the first of the community organizations to help the Sorrento & Area Community Health Centre realize a dream by funding much of the medical equipment needed at the time of opening in November, 2013. The centre continues to be a leader in showing how a Nurse Practitioner in a community-operated facility can provide primary care to a rural population. An expansion last year enabled the centre to create and

equip a third exam room, and alterations have been made to assist those with mobility challenges with the addition of electric doors, exterior ramp and handrails.

The centre can accept new patients who are not already connected to a family doctor. Those residents who have such a connection to a local practitioner should continue to see that practitioner. The centre can be reached at 250-803-5251 or 250-803-5257 for more information on making appointments with the Nurse Practitioner, Judy Deringer, for a meet and greet.

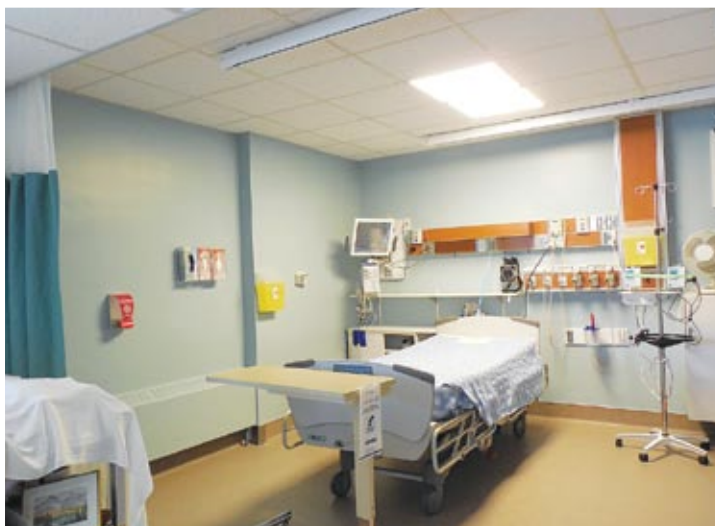

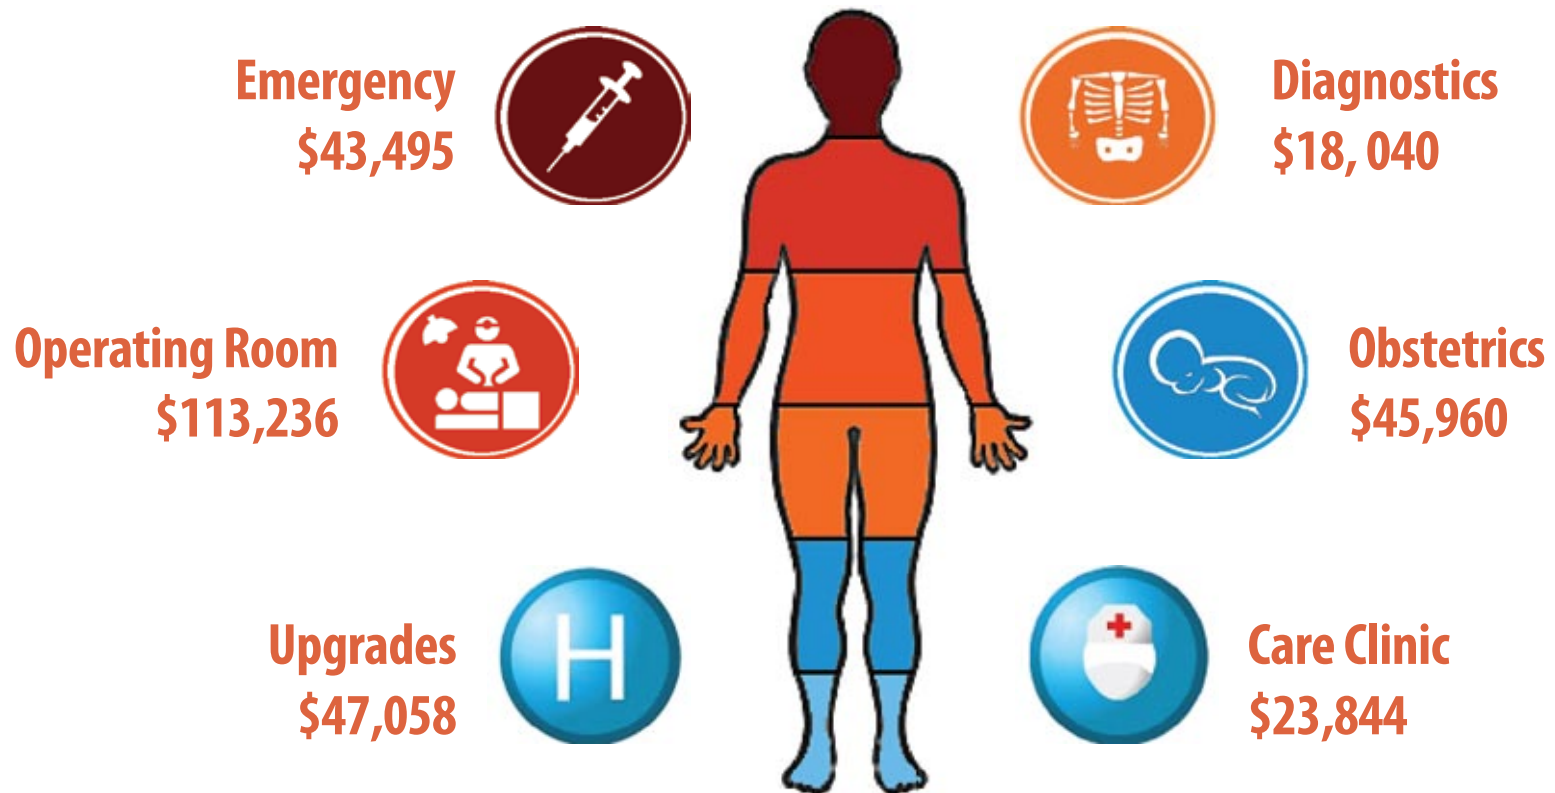

Sicamous Lab

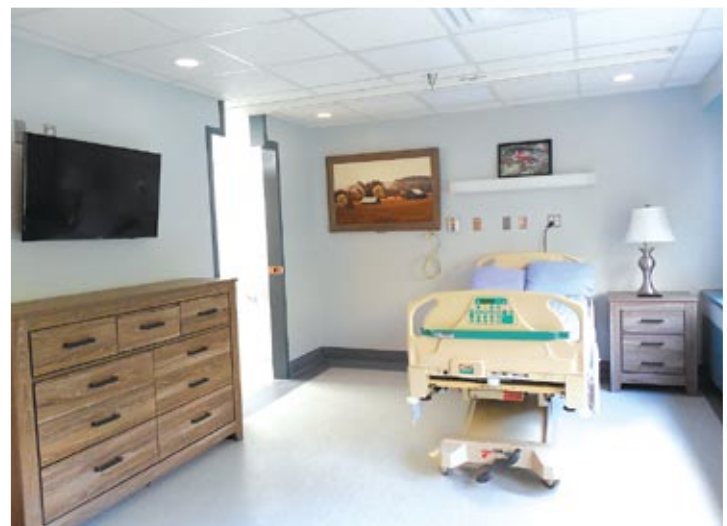

The Sicamous Lab was equipped through funding from the Shuswap Hospital Foundation five years ago and has served the community well. This facility is a busy place and is very much appreciated by those patients requiring weekly or frequent testing.

Your Gifts in Action

Designated Palliative Care room

Leaving a Legacy of Hope

- Be sure to make a will and make clear your intentions rather than allowing others to decide for you. Documents and wording templates are readily available to complete the transaction based on your philanthropic wishes. Consult with your legal representative and family.
- Meet with your accountant, lawyer, or financial advisor to determine the appropriate type of gift that meets your financial goals.
- Donate shares, securities, property, and other investment instruments and take advantage of capital gains tax benefits. This is a positive way to maximize estate-planning objectives.
- Donate an insurance policy by naming the Shuswap Hospital Foundation as the beneficiary. This is a very practical way to make a significant impact without diminishing other assets.
- Shuswap Community Foundation Endowment Fund is another way to support the hospital. Create an endowment with the Shuswap Community Foundation. Only the annual interest on the fund is disbursed.

Last year at a glance...

\$504,317

in revenues was received by the Shuswap Hospital Foundation to make health care better in the Shuswap.

Recognition of Generosity

Recognition Wall

The artistic rendition of the sockeye salmon run was adopted as the Foundation's unique recognition wall theme, and recognizes in perpetuity the generosity, compassion, and caring of donors in various categories determined by monetary amount.

Recognition Monitor

The Recognition Monitor includes all donors who have contributed to the Foundation since 2003; this includes Friends from \$25 to \$4,999.

Paying tribute to your generosity...

Memorial tributes

When a donation is made of \$2,000 or more, you may wish to take advantage of the unique way in which we pay tribute and honour those who mean so much to us.

The website allows the Foundation to respectfully give recognition to loved ones and provides the opportunity to display a picture with words of remembrance in perpetuity.

In Honour tributes

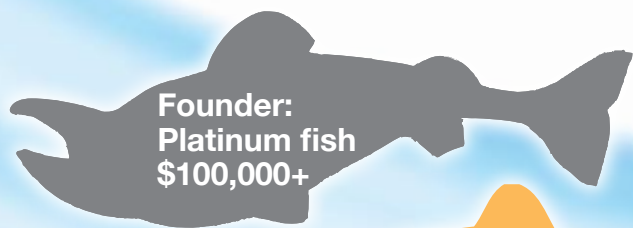

In Honour tributes are recognized with a picture and message. This is a wonderful way to pay tribute to those who have excelled in their role of service in the community and caring for others.

Or, you may wish to pay tribute for a special anniversary, birth in the family, or wedding. In addition, the Foundation will send an appropriate card on your behalf to recognize the occasion.

Help to create a legacy...

It's a simple way to be a part of improving the quality of health care in the Shuswap. The Shuswap Hospital Foundations Legacy Fund is a simple and practical way to ensure that the Foundation is building a perpetual fund for future needs of the hospital, including the next phase for the ICU and operating room renovations and expansion.

This will require significant capital spending on equipment. As an ideal way to fulfill personal charitable giving interests, you will be able to take advantage of generous tax incentives available that support planned giving and estate planning goals—a win-win for all.

SHUSWAP HOSPITAL
FOUNDATION

*Your generous donations are working to support
excellence in health care for our community.*

Together we can make a difference in each and every life.
